North East Scotland Roads Hierarchy Review and Sustainable Urban
Mobility Plan

The Environmental Assessment (Scotland) Act 2005

Screening Determination under Section 8(1)

Section 8(1) of the Environmental Assessment (Scotland) Act 2005 requires Local Authorities to determine if a plan is likely to have significant environmental effects.

Aberdeen City Council has determined, in consultation with the Scottish Environment Protection Agency, Scottish Natural Heritage and Historic Environment Scotland, that the North East Scotland Roads Hierarchy Review and Sustainable Urban Mobility Plan are unlikely to have significant effects and that a strategic environmental assessment is not required.

No Environmental Report will be prepared alongside the North East Scotland Roads Hierarchy Review and Sustainable Urban Mobility Plan.
